

Realize human dignity and values
Realize a society where the human rights of everyone are respected

Complaint receipt and handling process

Human rights counseling

By visiting or calling (call **1331** without an area code)

Complaint receipt

By e-mail, mail, phone call, fax, NHRCK homepage
Address: Human Rights Counseling and Conciliation Center, 13th Fl., Narakium Jeodong Bldg., 340, Samil-daero, Jung-gu, Seoul, Korea, 04551
Fax: +82-2-2125-0920/ E-mail: hoso@humanrights.go.kr

※ Persons accommodated in detention or protection facilities may submit complaints to the Commission's investigators upon their visit and interview

Investigation of case

- Decide to reject or transfer the case after preliminary investigations based on the written statement
 - Review materials submitted by the persons concerned, attendance investigation, and assessments on-site
- ※ Refusal of an investigation without any justifiable reason is subject to punishment by an administrative fine

Deliberation and decision of the Commission

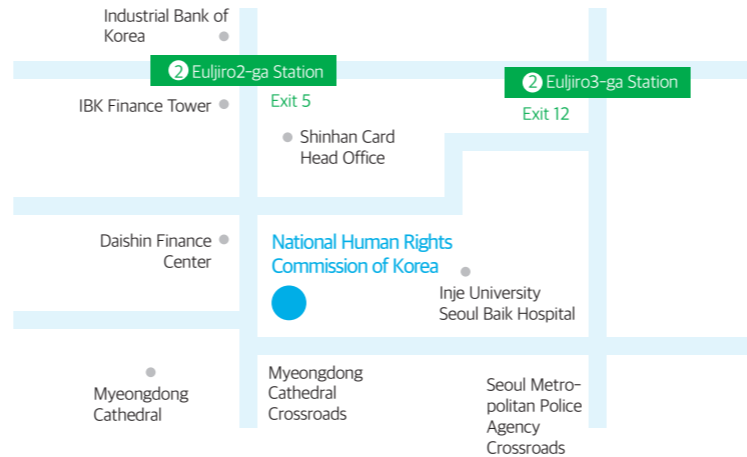

- The complaint can be deliberated by the Conciliation Committee at the request of complainant or by authority of the Committee
- ※ Conciliation and a decision in lieu of the conciliation have the same effect as a settlement at court
- The Commission deliberates on the findings of investigations and makes a recommendation, dismisses the complaint, rejects the complaint without deliberation, recommends for settlement, etc.
 - Recommend the respondent the implementation of necessary remedies, rectification of any relevant statute, institution, policy or practice
 - Recommend a disciplinary action against a person responsible for the violation of human rights
 - Request to initiate an investigation or file an accusation if it is deemed that a criminal punishment is required
 - Request to render legal aid to the said victims, if deemed necessary for the recovery of rights of victims relating to any petition
- ※ Dismiss a complaint if the content of the complaint is not true, or it does not correspond to a violation of human rights or a discriminatory act without any further remedy

Conclusion & notice

Notify a written notice of case handling results to the complainant

A World of Dignity for All

National Human Rights Commission of Korea

The National Human Rights Commission of Korea (NHRCK) was established in accordance with the 「Paris Principles」

Paris Principles

- It played a decisive role in establishing national human rights institutions of today across the globe by setting out the standards for their composition, status, and functioning.
- It was established at the first international workshop on national human rights institutions held in 1991, fully supported by the participants of the Vienna World Conference on human rights in 1993, and adopted by the UN General Assembly in December of the same year.

Highlights

1. A national institution shall be vested with competence to protect and enhance human rights, recognized with its broad duties, and its composition and competence shall be defined by the Constitution or an official law.
2. The composition of the national institution shall be established in accordance with a procedure that guarantees the pluralist representation of the social forces and have an infrastructure which is suited to have an adequate funding and resources to carry out its duties.
3. The national institute shall freely consider any questions and hear any person and obtain any information and any documents necessary for assessing situations falling within its competence, and determine its methods of operation at the discretion of the institute.
4. The national institution is authorized to hear and consider complaints and petitions concerning individual situations.

The National Human Rights Commission of Korea was established on November 25, 2001 in accordance with 「Paris Principles」.

The purpose of this Act is to contribute to the recognition of human dignity and worth as well as to the safeguard of the basic order of democracy by establishing the National Human Rights Commission to ensure that inalienable fundamental human rights of all individuals are protected and the standards of human rights are improved.

- Article 1 of the National Human Rights Commission Act -

National Human Rights Commission is a national advocacy institution for human rights protection

A World of Dignity for All, National Human Rights Commission to protect and promote the human rights of everyone
